

At Checkout

- Ensure the telescope is in good working order with a quick visual inspection.
 - Are all the strings still attached?
 - Are the user guide and headlamp in the bag?
 - Does anything look broken or damaged?
- The user guide and headlamp are found inside the bag attached to the telescope.
- The red light on the headlamp preserves night vision.
- The QR code found on the sticker at the base of the telescope provides videos and more instructions.
- Handle the telescope as shown in the images below or found inside the user guide.
- Patrons are responsible for loss/damages to the telescope and accessories. Replacement costs are as follows:
 - Telescope \$369.95
 - Apertura Ember LED Headlamp \$20.00
 - Accessory bag \$15.00

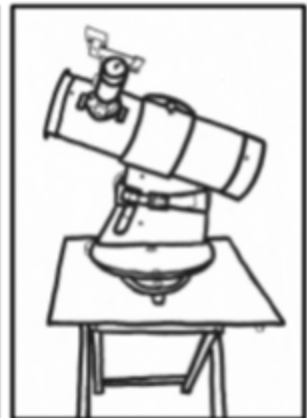

Handle by the base

Carry under arm

Strap into car seat

Use on a table

- Practice during the daytime before going out after dark.
- Between uses, the telescope should be stored indoors.
- See image below to turn on and off the finder scope.
- Turn the finder scope off between uses to conserve batteries.
- Check out period is 7 days.

- 9) Handle
- 10) Eyepiece rack (removed)

Apertura Library Telescope Borrower Acknowledgement

I acknowledge that I am borrowing the Apertura Library Telescope from the library and agree to comply with all telescope lending policies. By signing below, I certify that I am at least eighteen (18) years of age and have maintained an active library account in good standing for a minimum of two (2) months.

I accept responsibility for the telescope and all accompanying accessories from the time of checkout until they are returned and accepted by library staff. I agree not to lend, transfer, or permit use of the telescope by persons outside my household without my supervision. I will use the equipment in a safe and proper manner, follow all instructions provided by the library, and promptly report any loss, damage, malfunction, or missing components.

I understand that I am financially responsible for the cost of repair or replacement resulting from loss, theft, damage beyond normal wear, or failure to return the telescope and its accessories in accordance with library policy.
